UNIQUE SKILL

Accessible Design: I am trained in WCAG and best practices for accessible design, making sure that products are both aesthetically appealing and inclusive.

EXPERIENCE

Story Wall Studios, San Jose (CA) — *Photo Studio Coordinator*

June 2021 – August 2021

Functioned as the face of the studio. Ran the front desk, sold photo packages, took photographs of clients, handled payments and on-site issues, and worked with people of all ages alongside a variety of animals.

The Escape Game, Irvine (CA) — *Game Guide*

2025 – Present

Ensured a smooth and fun experience, working around obstacles such as game malfunctions and tight room reset times. Clearly communicated instructions to guests in creative ways, delivering on both fun and practicality. Formed connections with guests that left a lasting impact. Sold replay tickets to ensure repeat patronage.

Professionshøjskolen UCN, Aalborg (Denmark) — *Intern*

Summer 2025

Created a social media ad campaign for a mental health and wellness company. Completed a competitive audit. Conducted research for advertising strategies. Worked in a team with other designers to create an effective UX/UI. Created a full social media advertising campaign.

Spyder Lab: Design Pit, Brea (CA) — *Intern*

November 2025 – Present

Wrote professional emails as community outreach to many churches, schools, and nonprofits. Organized all interns' work on a comprehensive spreadsheet of my creation. Communicated with my supervisor and other interns. Vectorized Logos. Printed and designed banners and t-shirts.

Science Fiction and Fantasy Literature Club Treasurer: I was the treasurer for the Sci-fi and Fantasy Literature Club.

FREELANCE PROJECTS

Venus Black Logo Design — *Small Business Logo Design*

I created a logo for their brand, making their vision a reality using Adobe Photoshop.

YouNowGP Pride Month Logo Design — *Small Business Logo Design*

I altered a logo for Pride Month, working with the client and submitting several drafts to ensure it was exactly what they wanted.

EDUCATION

California State University, Fullerton, Fullerton, CA — *BFA Graphic and Interactive Design, BA Cinema and Television Arts, with a minor in History*

Fall 2019 - Fall 2025

In my time at California State University, Fullerton, I have created websites using HTML, created mockups for products, and created storyboards and wireframe models for apps and websites.
